## Staff Bios

**Johnny Weidman**  
Assistant Portfolio Manager

Johnny is Oxford's newest Assistant Portfolio Manager on the Commercial Property Management team, and has been with Oxford for just six weeks. He's enjoying getting to know our team and our buildings, as well as engaging new skills in his role. Outside of work, he's a soccer fanatic, an avid musician, and a frequent party-thrower.

**Robert James**  
Building Technician

Robert's been with Oxford companies for almost 3 months going on 4 now. His favorite part of the job is being active and meeting new people that he works with. A few of Robert's hobbies outside of work include going for walks, doing archery, and hanging out with a couple friends he's known 10+ years. He enjoys listening to music, playing video games, watching movies, and reading comics.

## CREW Updates

# Tenant Spotlight

ClearChoice Dental Implant Centers  
777 E. Eisenhower Pkwy, Suite 200  
[ClearChoice.com](http://ClearChoice.com)

ClearChoice Dental Implant Centers is a national network of dental implant clinics that specializes in full mouth dental implant restorations and treatments for advanced oral diseases. ClearChoice clinics provide an all-inclusive model where the entire dental implant process, from consultation to surgery to final restoration, is performed at a single facility by a team of specialists. Their approach involves using advanced 3D imaging, digital modeling, and on-site labs to streamline the implant process for patients.

Yellowstone Integrated Architecture + Design  
3055 Miller Rd  
[Yellowstone.build](http://Yellowstone.build)

Yellowstone is a highly experienced and deeply passionate team that embraces the entire process of designing and building spaces. Their team is built on an integrated approach – they live and breathe cohesive, intentional practices that keep their clients' needs and desired results at the forefront every step of the way. Yellowstone believe that integration helps them deliver faster, higher-quality, and more efficient projects – for a better way to design, collaborate, and integrate.
